BUILDING A FUTURE

The Perpetual Fund is growing to ensure excellence in the future. The Monticello School Foundation has received approval from the Board of Education to install engraved bricks in the new high school. You now have the opportunity to see your name engraved in a brick. Reserve your place by donating a brick with your individual, family name or Class engraved on the brick "Wall of Support" in the auditorium of the new high school.

Each brick will be permanently installed in the auditorium which will be viewed by thousands of students, parents, and community members who will visit the auditorium when attending vocal concerts, band concerts, plays, etc. The proceeds of the "Wall" will be applied to the Perpetual Fund.

Engraved bricks may be ordered by using the Engraved Brick Order Form. Each brick requires a separate order form and a $125.00 donation. No messages, numbers, logos or symbols; no names of businesses or organizations are allowed.

For more information....write the Monticello School Foundation,
PO Box 2, Monticello, Iowa 52310 or call (319)465-5234.
