

SCHOOL SPIRIT

May 2016

Congratulations Class of 2016!

The Commencement Ceremony for the Monticello Class of 2016 is scheduled for **Sunday, May 29th at 2:00 PM** in the High School Gymnasium. **Congratulations Class of 2016 and Best Wishes in the future!**

School Board Recognition Month

L to R—Dave Melchert, Peg Mere, Bud Johnson, Angie Beitz, and John Schlarmann

The month of May is School Board Recognition Month. Your School Board is working hard to make sure all students succeed. Take a minute and say thanks to the following members of the Monticello Board of Education: **Angie Beitz**, President, **Peg Mere**, Vice-President, **Bud Johnson**, **John Schlarmann** and **Dave Melchert**.

Thank you Board members for all you do!

Teacher Appreciation Week is May 2-6 & Nurses Day is May 6

Teacher Appreciation Week is May 2 thru May 6, and Nurses Day is May 6. Please join us in saying thank you to all of our teachers and nurses. The time you spend with students goes further than you know. Thanks for shaping the future of our children. We appreciate *each* and *every* one of you!

More Thank You's!

To make the Monticello School Foundation dinner a successful event, there are always many people to thank. In addition to the "thank you's" in the April *School Spirit*, the Board would also like to express great thanks and appreciation to **JUNE FELLINGER**, who generously donates her time, talents, and many decorations for each dinner event. She also spends many hours creating and sewing a quilt for the live auction every year. Her quilts provide a tribute to the students and athletes in Monticello.

THE MONTICELLO EXPRESS plays a vital role in its advertisement of the Foundation dinner through newspaper articles and letters to businesses: local, regional, and national. They also donate all printed materials each year. A huge thank you to The Express and their staff who provide support in many ways!

NANCY MILLER AND HER FOODS CLASS prepared the desserts which were served to our guests. Ice cream was donated and served by the **JONES COUNTY DAIRY BOARD**. **MONTICELLO STUDENTS AND THE PORCH POSSE LADIES** helped with both serving and clean up during the dinner. **THE MONTICELLO CHAMBER** volunteered to provide the wine and pop that evening. **CARPENTER STAFF** sold ticket chances for the "Ace" ATV donated by **KROMMINGA MOTORS & OHNWARD BANK & TRUST**. **JIM LOES** provided the band music that was shown prior to the sale of band uniforms. Many thanks to all of you!

The Foundation would also like to extend a thank you to **ROXIE ANDERSON, GRETCHEN KRIEGEL, & JUDY HAYEN** who do the "behind the scenes" work to help make the dinner a successful event. To all those involved and again to the many businesses and community members who support this special night **for the students of Monticello—**

THANK YOU!

WIN AN ACE! As a fundraiser, The Monticello School Foundation is raffling a Polaris Sportsman Ace (MSRP \$7,499), donated by Kromminga Motors, Ohnward Bank & Trust, and Polaris. Tickets are \$20 each, with the drawing to occur on September 23, 2016 at the Homecoming game vs Cascade. Tickets may be purchased at the Monticello School District Office, Ohnward Bank & Trust, or from any School Foundation Board Member. All proceeds from this raffle go to benefit the students in the Monticello School system!

PARENTS OF 4TH GRADERS

Beginning band recruitment is underway! Instrument rental night will be held in the High School band room on Tuesday, May 24 from 4-7pm; at that time parents will receive information on summer lessons as well! If you have questions about your child getting started in band, please contact Middle School Band Director, Jill Dobel, at jill.dobel@monticello.k12.ia.us, or call (319) 465-3575 ext. 2165.

Attention Seniors! It is important to recognize seniors for scholarships that they have been awarded. The awards presented at Honor's Night are those we know about. In order to honor all others, seniors need to be responsible for contacting Mrs. Thompson in the Guidance Office to inform her of any scholarships received. If she is contacted no later than Friday, May 20th, she will mention or present those awards. Please don't assume that Mrs. Thompson is aware of all scholarships received. You may contact her at christi.thompson@monticello.k12.ia.us. Honor's Night is scheduled for Tuesday, May 24th.

Reminder for Parents of next year's Kindergartners!

Please remember to submit your child's physical, immunization record, lead screening, and dental screening information to the school nurse, Jen Speltz ASAP. Thanks!

PARENTS OF NEXT YEAR'S SENIORS: 

Plan now to have senior pictures taken over the summer. Senior year can be very busy. Please be aware that senior pictures and baby pictures for yearbook are due in December of semester one, before winter break. They cannot be accepted after the deadline. Thanks!

AR Store Donations Accepted

If anyone has any items they would be willing to donate to the AR store for prizes they can drop them off at Carpenter. Please label it for the AR store. Ideas include new or gently used: games, books, mechanical pencils, stuffed animals, pens, jewelry, school supplies, etc. Thanks!

The Monticello Athletic Boosters are looking for new members for the 2016-2017 School Year!

Our goal is to help promote Monticello Middle and High School Athletic Programs through the purchase of uniforms, equipment and supplies. We are able to meet this in two ways, our Sponsorship Drive each Spring and working Concessions at most of our Middle and High School Athletic Events. The Athletic Boosters meet the first Wednesday of every month during the school year and the first Sunday in June, July, and August at 7pm in the High School Library. Boosters are responsible for attending monthly meetings and working designated concession shifts each sporting season. New members would be asked to start attending meetings in July. It doesn't cost anything to join and you, your spouse, and school age children receive athletic passes for all regular season athletic events. Please contact this year's President Tami Recker by phone [319-480-2107](tel:319-480-2107) or email her @ TRecker@mvec.com or stop in any of our stands during any sporting event if you have any questions or are interested in joining.

THANK YOU TO:

- **Everyone** who helped at the Shannon Elementary concerts.
- **Sue Paulsen, Sheryl White, Above & Beyond and Bob Abeling** for their donations to the nurses office.
- **Fareway** for donating grocery bags to the Middle School for their "Minute-To-Win-It" contest.

Congratulations to **Karen Menster and the staff at Panther Academy** on receiving a perfect rating after their DHS visit in April!

Asbestos Notification—(Annual Notice)

The Asbestos Hazard Emergency Response Act of 1986 (referred to as AHERA) was enacted by Congress to determine the extent of and develop solutions for any problems schools may have with asbestos. This notification, education and training of our employees, plans and procedures to minimize the disturbance of asbestos containing materials, and plans for regular surveillance of the asbestos containing materials are a part of our efforts to meet government regulations. A copy of the asbestos management plan is available for your inspection at the Transportation/Buildings Grounds Office at 708 South Maple Street, Monticello, IA.

The Monticello Community School District has contracted with SchoolMessenger, a leading provider of notification services for parental outreach, emergency broadcasts, student attendance alerts and other communications for education.

The SchoolMessenger system is designed to automatically notify parents for reasons that impact the safety and academic performance of students. SchoolMessenger will extend the district's existing community outreach efforts and emergency preparedness procedures, as well as inform parents of upcoming school events such as statewide testing and parent meetings. As a comprehensive communication tool, SchoolMessenger will contribute to the district's continued efforts to improve communication with its constituents. Information about the upcoming bond issue, community surveys and well as changes in extra-curricular schedules, are just a few examples of how SchoolMessenger can increase the communication between the Monticello School District and parents, students, staff and community members. An automated attendance notification system is part of the SchoolMessenger program. Starting soon, parents will receive an automated phone message from the SchoolMessenger system, when their child is absent and the office personnel have not been contacted with a reason for the absence. This only emphasizes how important it is to have current and accurate information in PowerSchool, since SchoolMessenger pulls all contact information from PowerSchool. Parents will eventually be able to enroll in the SchoolMessenger system to receive text messages and emails in addition to the automated phone calls. More information on this will be shared at a later date. Watch for details on the school website and School Spirit newsletter.

SchoolMessenger will *not* replace current school communication methods, with one exception. **The district will discontinue the use of Iowa School Alerts.** Principals will still be accessible for live visits and will continue to communicate via current methods including paper-based memoranda. The district's acquisition of the SchoolMessenger system is intended to extend its commitment to remain personally connected with parents by offering additional and timely communications.

➔ To all MCSD parents,

As part of our enrollment into the School Messenger Notification System, you can opt in to receive text messages for weather related announcements, school emergencies, general notifications and more. However because of communication regulations, you must choose to receive these text messages. If you do not complete the steps to opt in, you will not get any text alerts from the school.

Step 1: On Friday, May 6 at 2:30 PM, parents of MCSD students will receive a coded text message from 67587. This text will ask you if you would like to receive text messages from the Monticello Community School District.

Step 2: Simply respond with "Y" or Yes to this text message. That's it! This device will now receive text messages from the MCSD.

*If you do NOT want to receive text messages from the MCSD, simply do not respond to the text message.

If you have any questions or problems with School Messenger, please contact Morgan Murray, District Help Desk Personnel at 319.465.3575, ext. 2280.

Application for backpacks and supplies!

The MEA has received a \$500 grant to provide backpacks and supplies for Pre-K through 8th graders in need for the 2016-2017 school year. Please talk to your school counselor if you are in need. Forms are due back by May 15th.

Also, donations of school supplies are being accepted. If you have new school supplies or backpacks to donate to our program, please direct them to Angie Sconsa at the Middle School.

MHS Students Learn About Costa Rica!

From March 10th through the 19th, 15 students and 4 adults traveled to Costa Rica and experienced a variety of climates, food, animals and culture. They visited several National Parks and had some firsts. A few had never flown on a commercial airplane, gone outside of the U.S., and many had never done zip-lining. Other activities included a canopy tram, a crocodile boat tour, white water rafting, kayaking, swimming in the ocean, touring a coffee plantation, hiking in the rainforest, and horseback riding. The group played games with some other students and planted a few trees as part of a reforestation project. Monticello students saw some waterfalls, volcanos, hot springs, and many, many new animals. They had a chance to see a cultural dance while overlooking the capital city at night, and danced a little themselves. They visited Sarchí which is where the famous oxcarts are still made. There is a display in the high school with pictures and souvenirs and coffee.

Mr. Meshak would like to thank the six van drivers for getting us to and from O'Hare airport. They include **Rick Beem, Vic Boeding, Doug Kramer, Carrie Johnson, Chris Campbell and Steve McCormick.**
