ARTICLE II

Recognition

The Board of Directors of the Monticello Community School District, hereinafter referred to as the "Board", recognizes the Monticello Education Association, hereinafter referred to as the "Association", as the sole and exclusive bargaining agent for district employees included in the stipulated bargaining unit certified by the Public Employment Relations Board (Case #191), October 1, 1975,

TO WIT:

Included: All classroom teachers, counselors, department chairpersons, nurses, gifted coordinator and media specialist.

Excluded: Athletic Director, tutors, teacher associates, custodians, bus drivers, cooks, secretaries, substitute teachers, substitute associates, non-teaching extra duty positions, principals and assistant principals, mechanics, food service director and grounds transportation supervisor, maintenance, and all other employees excluded by Section 4 of the PERB.

ARTICLE III

GRIEVANCE PROCEDURE

A. Purpose

The purpose of this article is to provide for a mutually acceptable method, the prompt and equitable settlements of employee grievances and disputes over the interpretation and application of this Agreement. The Board, the Association, and the employees shall attempt to resolve informally or at the earliest possible stage all grievances. Informal settlements in any stage shall bind the immediate parties to the settlement, but shall not be precedents in a later grievance proceeding.

B. A grievance is a claim or dispute concerning the interpretation or application of the terms of this Agreement.

C.

1. Every employee covered by this Agreement or the Association shall have the right to present grievances in accordance with these procedures.

2. The failure of any employee (or, in the event of an appeal to arbitration, the Association) to act on any grievance within the prescribed time limits will act as a bar to any further appeal and an administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. The time limits, however, may be extended by mutual agreement.

3. It is agreed that any investigation or other handling or processing of any grievance by the grieving employee shall be conducted so as to result in no interference with or interruption whatsoever of the instructional program and related work activities of the grieving employee or of other employees.

4. Nothing in this Agreement shall prevent either party from having legal counsel or other representatives with them at each step.

5. If the grievance involves more than one building it may be presented initially at Step 3.

D.

1. First Step

An attempt shall be made to resolve any grievance in a documented conference discussion between complainant and the principal or his/her designated representative. Such action shall be within ten (10) working days of the event giving rise to the alleged grievance. A summary of the level one discussion should be written and signed by both parties to permit them each to retain a record of the outcome. (See appendix C)

2. Second Step

If the grievance cannot be resolved through step 1, the aggrieved employee or Association shall file the grievance in writing and, at a mutually agreeable time, discuss the matter with the principal. The written grievance shall state the nature of the grievance, and shall note the specific clause or clauses of the agreement allegedly violated, and shall state the remedy requested. The filing of the formal, written grievance at the second step must be within ten (10) working days from the first date of the step 1 conference. The principal or his/her designee shall make a decision on the grievance and communicate it in writing to the employee, the Association, and the superintendent within ten (10) working days following the meeting (or the date the written grievance is received if no meeting is held) between the principal and the aggrieved.

3. Third Step

In the event a grievance has not been satisfactorily resolved at the second step, the aggrieved employee or Association shall file, within five (5) working days of the written decision at the second step, a copy of the grievance with the superintendent. Within ten (10) working days after such written grievance is filed, the aggrieved and the superintendent or his designee shall meet to resolve the grievance. The superintendent or his designee shall file an answer within ten (10) working days of the third step grievance meeting and communicate it in writing to the aggrieved. The superintendent shall confer with the Board if the time limits permit.

4. Fourth Step

If the grievance is not resolved satisfactorily at Step 3, there shall be available a fourth step of impartial, binding arbitration. The Association may submit, in writing, a request on behalf of the Association and the grieving employee to the superintendent within thirty (30) days from the receipt of the Step 3 answer to enter into arbitration. At the same time a request shall be made to the PERB to provide a panel of seven (7) arbitrators. Each of the two parties, the moving party striking first, will alternately strike one (1) name at a time from the panel until only one (1) shall remain. The remaining name shall be the arbitrator. The decision of the arbitrator will be binding.

The arbitrator's decision shall be in writing and will set forth his/her findings, reasonings and conclusions on the issues submitted. The arbitrator shall have no power to alter, add to, or detract from the specific provisions of the agreement. No decision of the arbitrator shall in any way be in derogation of the powers, duties and rights established in the Board by constitutional provisions statute, ordinance, or special legislative acts.

The costs for the service of the arbitrator will be borne equally by the Board and the Association. If the Association or any employee files any claim or complaint in any form other than under the grievance procedure of this Agreement, then the school district shall not be required to process the same claim or set of facts through the grievance procedure.

E. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and, if left unresolved could result in irreparable harm to a party in interest, the grievant, Association, and Superintendent may, by mutual agreement, at any step, agree to shorten the normal time limits set forth in steps 1, 2, and 3 shall be reduced to 5 working days for each time limit. In this instance, working days shall mean weekdays during which employees with 12 month contracts would normally be scheduled to work. The 30 day guideline for filing for arbitration as set forth in Step 4 shall be reduced to 15 days.

ARTICLE IV

MANAGEMENT RIGHTS

It is expressly understood and agreed that all functions, rights, powers, or authority of the administration of the School District and the Board of Directors are retained by the Board and that nothing contained herein is intended to or shall conflict with or abrogate the powers or duties and responsibilities vested in the School District and the Board of Directors by the laws of the State of Iowa. However, these rights and powers shall in no way supersede any provision of this agreement.

ARTICLE V

ASSOCIATION RIGHTS

A. The Association will have the right to use school buildings and facilities at reasonable times for a reasonable number of meetings. Up to four such meetings may be scheduled during working hours at 3:30 P.M. or later. Other meetings will be outside of the regular working hours. Such meetings shall in no way interfere with any aspect of the instructional or extra-curricular program.

The time and place of all meetings shall be arranged in advance with the building principal. The association will pay all out-of-pocket expenses to the District resulting from such meetings and will pay any additional costs necessitated by such use.

The fee to be charged the Association for use of school facilities shall be based on the schedule provided by the Board of Directors for community groups.

B. There will be one bulletin board reserved for use by the Association in each school building, which will be placed in the faculty lounge where possible, for the purpose of displaying notices, circulars and other material.

C. The Association shall have the right to place a reasonable amount of notices, circulars, and other material in teachers' mailboxes with a copy being furnished to the building principal.

D. Duly authorized representatives and their respective affiliates shall be permitted to transact official Association business on school property at reasonable times, provided that this shall in no way interfere with or interrupt normal school operations and provided all outside agents check in at the building principal's office.

E. The Association president will be provided a copy of the Board Agenda, which will be available to be picked up prior to the Board meeting. If policy items are on the agenda, the president may get further written or oral amplification from the superintendent.

ARTICLE VI

PAYROLL DEDUCTIONS

Upon appropriate written authorization from the employee, the Board may deduct from the salary of any employee and make appropriate remittance for (1) tax sheltered annuity premiums; (2) life insurance premiums; (3) dental insurance premiums; (4) optical insurance premiums; (5) short term disability insurance premiums; (6) cancer insurance premiums; (7) individual retirement annuity, (8) accident/critical care insurance, (9) long term care insurance as of Fiscal Year 2018, and/or (10) a medical Flex Spending account. Such deductions shall be remitted to the proper company on the same day that payroll checks are issued or when a bill is received, whichever is later. Employee may choose these options twice per year: on or before September and on or before January 1 with the withholding effective the next paycheck. With the approval of the Superintendent the preceding limitation can be exceeded.

ARTICLE VII

DUES DEDUCTION

A. Each year the Association will notify the Board in writing, which may be revoked at any time by giving thirty (30) days written notice, stating employee names and the exact amount of such regular membership dues to be deducted from regular monthly employee payroll checks. Said deductions shall be remitted the same day that payroll checks are issued to the official designated in writing by the Association to receive such deductions. The Board shall deduct one-eleventh (1/11th) or one-eighth (1/8) of the total dues from each such employee each month, beginning in October and ending in May or August each year. Requests for dues deductions shall be filed with the Board by October 1 of each year for employees under contract at that time. Persons who commence employment after said date must file by the first (1st) day of the month immediately following commencement of employment and shall have the total dues pro-rated on the basis of the remaining months of employment through August.

B. Such authorization shall continue in effect from year to year unless revoked in writing by a thirty (30) day notice to the Board and to the Association.

C. The Association agrees to indemnify and hold the Board harmless against any and all claims, suits, order or judgments brought or issued against the Board as a result of any action taken or not taken by the Board under the provisions of this article.

ARTICLE VIII

COMPENSATION

A. Basic Salary of Employees

The basic salaries of employees covered by this Agreement are set forth in Appendix A, which is attached hereto and incorporated in this Agreement.

B. Schedule of Additional Pay for Extra Duties

An employee assigned extra duties will be paid on the schedule of extra pay for additional duties as set forth in Appendix B., which is attached hereto and incorporated in this Agreement. Qualified employees may be assigned as part of their total contract extra duties.

C. Advancement on Salary Schedule

Employees on the regular salary schedule will advance one (1) increment or vertical step on the schedule for each year of service until the maximum for their educational classification is reached.

No employee shall be held on step without just cause. If any employee remains on a vertical step at least one year, and move to a new educational classification, the employee will advance one (1) increment or vertical step.

Nursing CEU credits will be counted equally to hours obtained for horizontal movement on the salary schedule subject to the Superintendents approval.

D. Educational Lanes

An employee who meets educational standards for advancement on the salary schedule must give notice of such schedule advancement to the Superintendent's office by April 1st of the year preceding the school year when such change will take effect.

To be eligible to advance on the salary schedule by meeting educational standards, the necessary degree must be granted or the necessary credit must be received, and verified to the Superintendent's office by official transcript prior **to October 1st**.

Where a college course credit or other acceptable credit is to be used for the purpose of horizontal advancement on the salary schedule, such credit must be related to the present assignment of the employee, meet a requirement toward a degree related to the present assignment of the employee, or be approved by the Superintendent or his designee as being beneficial to the school district. (Appendix D.)

E. Placement of Newly Hired Personnel

Newly hired employees may be granted up to full credit for prior professional education experience, as determined by the Superintendent, when placed on the salary schedule.

F. Extra Compensation for Covering Classes

It is desirable for each employee to have an uninterrupted preparation period each day. The practice of using a regular employee as a substitute, thereby depriving the employee of his/her preparation period, is undesirable and shall be discouraged. An employee may, when there is mutual agreement between the Principal and the employee, serve as a substitute, and assigned employees shall be paid at the rate of **\$20.00** per hour or may accrue compensatory time in lieu of pay for substitute work. Compensatory time may not be used during professional development nor when a substitute would be required. Such coverage shall be arranged by the Principal of the school in question and shall be distributed as equitably as possibly among the employees.

G. Method of Payment

1. Pay Periods

Each employee shall be paid in either twelve (12) or nine (9) equal installments on or before the 25th of each month. Those paid in nine installments will not receive checks in June, July, or August. Those paid in twelve installments may choose to receive their June, July, and August installments on or before June 25th. An election form will be given each employee, with their continuing contract or new contract, to allow the employee to choose the method of payment for the contract year. **Changes may be made up to September 1st of that school year.**

2. Exceptions

a. When a pay date falls on or during a school holiday, vacation weekend, employees shall receive their paychecks on the last previous working day.

b. Employees who are new in the teaching profession may, at their option, elect to receive up to 50% of the first salary installment after the completion of the first ten (10) work days of employment. The balance of the contracted salary shall then be prorated over the remaining pay periods.

3. Final Pay

Each employee upon retirement shall have the option of receiving all or any part of his/her earned, contracted salary on the last pay period of the contracted work year.

4. Summer Checks

Summer checks, other than for summer school teaching, shall be mailed to the address designated by the employee.

5. Direct Deposit

Employees' checks will be automatically deposited directly to the financial institution of their choosing.

H. State Educational Excellence Funds (HF 499)

1. Phase I and II funds are incorporated into the proposed salary schedule. In the event that these funds are not appropriated in the future the salary schedule will be adjusted accordingly.

4) The Board of Education will provide a Long Term Disability insurance benefit for employees working a minimum of 20 hours per week. The policy will provide 60% of Basic monthly earnings to a maximum benefit of \$4,000.

B. The Board shall have the right at any time to procure comparable medical insurance as listed in A. 1 above as provided currently by Iowa Schools Employee Benefits Association from any other insurance company.

C. Eligibility for coverage, coverage period, and dates of premium payments necessary for such coverage shall be determined by the Board. To be eligible to receive the monthly benefit premium, the employee must complete all necessary paperwork. ARTICLE XIV
STAFF REDUCTION

A. Definitions

1. Reduction is something less than the current employee contract.
2. "Date of hire" is defined as the date entered on the employee's original teaching contract, next to the employee's signature.
3. Seniority shall be based upon the cumulative years of teaching experience within the Monticello Community School District. Seniority shall be computed in one year increments from the original date of hire and will not be broken by unpaid leaves of absence or employment by the Board in a position outside the bargaining unit, but such time will not be counted in computing seniority. Part time employees shall accrue seniority on a pro rata basis beginning August 21, 1981.

Seniority for part time employees before the 1981-82 school year is computed as full-time years. When seniority is equal between or among employees, ranking of those employees shall be determined by date of hire. Official seniority lists shall be submitted to the MEA President before December 1 of each year.

4. A program referring to "maintain a program" includes any single course or extra-curricular activity determined by the Superintendent.
5. All vacancies shall be determined by the Superintendent.

B. Procedures

1. If the Board, in its sole discretion, shall determine to reduce staff or discontinue programs, an effort shall be made to accomplish the same by attrition.

No employee shall be laid off unless all the employees in the same category in the lower range(s) have been laid off. (For example, an employee in the K-6 category with three years of seniority shall not be laid off as long as there are employees in the K-6 category in the 1-2 range.

When staff reduction must occur in one of the above categories, and the least senior member is employed in other categories as well, that staff member shall be reduced first unless needed to maintain a program.

3. Once the decision as to the teacher(s) who is (are) to be reduced has been made the parties shall exclusively follow the procedures spelled out in Sections 279.13 of the Iowa Code.

4. The Administration shall notify the president of the Association that a meeting will be held to notify the staff of reductions no later than April 15 of the preceding school year. Official notifications will be made by April 30 of the preceding school year.
5. Persons who qualify for other existing programs as determined by certification, training and/or experience will be transferred to available vacant positions. The person transferred to the available vacant position may be required to acquire additional hours up to a maximum of eight (8) hours in the program area if requested by the Board.
6. Any staff member changing job categories shall retain full district seniority.

C. Recall Provisions

1. An employee laid off pursuant to this policy shall have recall rights for two (2) years from the effective date of his/her layoff, and shall be recalled in inverse order of the layoff.
2. During said layoff, the employee shall not be prevented or prohibited from seeking and accepting employment elsewhere and shall not have his recall rights terminated except by written request of the employee.
3. The Superintendent shall determine when a vacancy exists and shall notify those employees on recall by certified mail. The Association president shall also be notified. Within ten (10) calendar days after an employee receives notice of reemployment he/she must advise the Board in writing, of rejection or acceptance of the offered position.
4. Any employee who is recalled for a position after having been laid off shall be placed on the current salary schedule at the step immediately above the step in effect at the time of the layoff. A teacher on recall shall not accrue any sick leave, benefits, or experience on the salary schedule. The employee shall receive credit on the salary schedule for experience gained in other school districts in Iowa or additional qualifying education during the layoff period.
5. Employees employed to fill a vacancy created by the awarding of a leave of absence shall not be eligible for the benefits of this Article.

ARTICLE XV

EVALUATION PROCEDURES

I. Teacher/Status/Definitions

- 1) Beginning teacher is an individual serving under an initial license issued by the Iowa Board of Educational Examiners under chapter 272 who is assuming a position as a classroom teacher. A teacher as defined in the Teacher Quality legislation is an individual who is employed as a teacher, librarian, media specialist, or counselor in a non-administrative position by a school district or an area education agency.
- 2) Career teacher is an individual who is serving under a standard license and has had at least two years of successful teaching in a public school in Iowa or has had three years of successful teaching in a nonpublic Iowa school or in a school outside of the state of Iowa.

II. Beginning Teacher Evaluation (Tier I)

A. Beginning Teacher

The Beginning Teacher Evaluation is designed for all newly hired teachers without career licensure. The purpose of Beginning Teacher Evaluation is to:

- 1) Ensure that the Iowa Teaching Standards, criteria for the standards, and the expectations of the local school district are understood, accepted and demonstrated.
- 2) Provide support in the implementation of the standards
- 3) Provide evidence to support continuing employment and movement to the career teacher level
- 4) Facilitate the new teacher's engagement in professional development through the Mentoring and Induction Plan and the district career development plan (CSIP).
- 5) Provide evidence to make recommendations to Board of Educational Examiners on licensure for beginning teachers.

B. Required Activities

Within the first three weeks of the commencement of the school year the building administrator will meet with all beginning and new teachers to review expectations and evaluation timelines. The expectations will include the Iowa Teaching Standards and Criteria. At this time the administrator will provide staff with copies of all evaluation guidelines and forms.

C. Year One and Two

- 1) Formal Observations - Three formal observations will be conducted for each beginning teacher in year one and two. Two formal observations must be conducted prior to February 1, of each year. The third observation must be held prior to the required summative evaluation conference (to be completed by March 30). Each of these observations will have a pre-observation and post - observation conference. The pre-conference should be held within two days prior to the formal observation and the post-observation conference, between the evaluator and teacher, is to be held no more than ten working days after the formal observation. The teacher must be ready to discuss pre-observation and post-observation questions with the administrator at these conferences (the questions are presented in Appendix 1).
- 2) Informal observations may also be used at the discretion of the administrator. Informal observations include all things that reflect overall professionalism. These may include unannounced classroom visits, walkthroughs, and professional behaviors relevant to the setting.
- 3) A cumulative professional portfolio will be created and maintained by all beginning teachers in year one and two. The professional portfolio serves a catalyst for substantive growth in areas of teaching, philosophy, methods, and goals. Moreover, the portfolio provides administrators with concise, selective, evidence-based information from a variety of sources. The administrator and the beginning teacher will review and discuss the portfolio at scheduled conferences.
- 4) A final summative conference will be held with the first-year teacher on or before March 30. A comprehensive evaluation will be held with the second year teacher on or before March 30. The written evaluation must include the administrator's licensure recommendation of the teacher or a recommendation for continued participation in the district's mentoring and induction program. This continuing participation should not exceed one year.

III. Evaluation for Career Teachers (Tier II)

A. Focus

This evaluation is focused on developing and supporting the professional development of teachers while also providing for the on-going assessment of the career teachers' mastery of the Iowa Teaching Standards. Demonstration of the Iowa Teaching Standards is an ongoing process and administrators have the continuous responsibility of monitoring excellence by using multiple alternative sources of data about daily practices that may include formal and informal observation, evidence of the implementation of school district's student achievement goals, review of professional development plans, feedback from students and parents, and any other relevant information.

B. Individual Professional Development Plan

- 1) The Individual Professional Development Plan (IPDP) is designed for all career teachers in the district. Ideally, the IPDP and the district goals will be closely aligned. IPDPs shall be based, at minimum, on the needs of the teacher, the Iowa Teaching Standards, and the student achievement goals of the attendance center and the school district (CSIP). Staff members are responsible to develop and implement their IPDP in collaboration with their supervisor and to work collaboratively with their faculty in the implementation of the District Professional Development Plan. The IPDP design may include learning activities for one, two or three year periods.
- 2) Initially, staff members will develop a draft of their plan. Staff members who will be working individually or in teams will meet and collaborate with their administrator to review, refine and finalize a plan by October 1. The role of the administrator is to be satisfied that the plan addresses the building student achievement or the comprehensive school improvement plan goals.
- 3) Individuals will submit the Mid-Year Reflection and Update and they will meet with their administrator to review, by February 1.
- 4) There will be a final review of progress submitted by the individual to the administrator by April 15th each year the plan is in effect. An annual conversation with the teacher's supervisor will be held to reflect progress on the career development plan. This should be held after the teacher has completed review of the progress.

Individual Professional Development Plan Forms are available in Appendix 3.

C. Formal Evaluation

- 1) Within the first three weeks of the commencement of the school year the building administrator will meet with all teachers to review expectations and evaluation timelines. The expectations will include the Iowa Teaching Standards and Criteria, and such other expectations as indicated by the district. At this time the administrator will provide staff with copies of all evaluation guidelines and forms.
- 2) At least two formal observations will be conducted for each teacher once every three years. Teachers new to the district with prior teaching experience will be formally observed twice in year one and two. Each of these observations will have a pre-observation and post-observation conference. The pre-conference should be held within two days prior to the formal observation and the post-observation conference, between the evaluator and teacher, is to be held no more than ten working days after the formal observation. The teacher must be ready to discuss pre-observation and post-observation questions with the administrator at these conferences (the questions are presented in Appendix 1). The focus of the observation will be the Iowa Teaching Standards.
- 3) Informal observations may also be used at the discretion of the administrator. Informal observations include all things that reflect overall professionalism. These may include unannounced classroom visits, walk throughs, and professional behaviors relevant to the setting.

4) All teachers will provide a body of evidence linking artifacts to the Iowa Teaching Standards and Criteria. Standards and criteria observed and noted during classroom observations or other administrative walkthroughs may constitute a part of such evidence/artifacts. The administrator and teacher will discuss artifacts at conferences.

5) There will be a comprehensive/summative evaluation conference between the administrator and teacher.

IV. Evaluation for Intensive Assistance (Tier III)

When the evaluator determines, at any time, the teacher is not meeting one or more of the following:

- 1) District expectations under the Iowa Teaching Standards.
- 2) The Individual Teacher Professional Development Plan; or
- 3) District expectations as stated in paragraph one (1) of Formal Evaluation above;

the evaluator shall recommend to the Superintendent that the teacher participate in the Intensive Assistance Plan. The process may begin at any time but should not exceed three (3) months in duration unless extenuating circumstances justify an extension.

Tier 3 is not grievable.

V. Employee Review / Respond

Each employee shall have, upon request, the right to review the evaluation documents contained in his/her personnel file. An employee has the right to respond in writing to any evaluation documents. Any written statement by the employee shall be made at the time of the evaluation conference, or within five (5) working days following the conference.

VI. Copies / Signature

All information pertaining to evaluation materials will be prepared in duplicate; one copy will be retained by the administration, and the other will be in the possession of the teacher. No teacher shall be required to sign a blank or incomplete evaluation form.

VII. Grievance

Only "does not meet District standards" ratings on a "comprehensive/summative" form are subject to Article III's grievance procedures. The timelines under Article III begin on the date of the evaluation conference at which the employee and administrator discuss the Final Yearly Rating form. This section does not apply to probationary employees (Iowa Code 279.19), who may not grieve evaluations during their probationary period. A "does not meet District standards" rating grieved under this section may not be grieved under any other Article of this contract.

ARTICLE XVI

TRANSFER PROCEDURE

A. Definitions

1. Category means the category as enumerated in Article XIV (Staff Reduction) paragraph B.2.
2. A transfer is the movement of an employee to a different category, building or school district. Anyone transferred will remain an employee of the Monticello School District and retain all rights and privileges thereof.
3. An involuntary transfer is the movement of an employee to a different category, building or school district, initiated by the employer.

4. A reassignment is the movement of an employee, either voluntarily or involuntarily, to a different course or grade level within a category.

5. Shannon and Carpenter are considered one in the same building for the purpose of this article.

B. Voluntary Transfers

1. An employee possessing the necessary qualifications may apply for a voluntary transfer to any available vacancy and all applications shall be carefully considered. All applications shall be in writing and shall name the transfer for which the applicant wishes consideration. Academic preparation, certifications, candidate interview, and seniority will be considered by the administration in making a decision to transfer an employee.

2. If an employee is transferred, then the employee shall be ineligible to submit an application for any other transfer for a period of one (1) year from the date of such transfer.

C. Involuntary Transfers

1. When a position is to be filled by means of involuntary transfer, an employee will be notified, confirmed in writing if requested, and shall be entitled to a conference with the superintendent or his/her designee to discuss the reasons for said transfer. At the request of the employee, the superintendent shall set forth, in writing, the procedures used in the determination of said transfer. These procedures may include, but are not limited to consultation with principals; consideration of experience, seniority, education and performance, as they relate to the positions being considered; and a determination of what may be in the best interests of the students. If requested by the employee, the recognized association representative may be present at the time of the conference.

2. Employees involuntarily transferred shall be given consideration as to whether they wish to retain that position or be transferred again, should another transfer be necessary. This consideration shall be extended for the year following the involuntary transfer.

3. Tuition Reimbursement

Teachers shall be reimbursed for tuition and fees, excluding books, for courses taken at the request of the district to obtain/complete additional teaching endorsement(s) when involuntarily transferred into a position. Said payment shall be restricted to only those courses required by the Iowa Department of Education for the endorsement(s). Payment to the teacher will be made in two parts.

Reimbursement of tuition will be made once a bill from the college or university is submitted along with graded transcripts to be disbursed as follows:

1. The first half to be paid one year after satisfactory completion of course requirements and upon presentation of a bill from the college or university as long as they are currently employed by Monticello CSD.
2. The second half to be paid two years after satisfactory completion of the course requirements as long as they are currently employed by Monticello CSD, upon presentation of grades from the college or university.

Said credits, requested by the administration, will count toward advancement on the salary schedule.

D. Transfers to Another School District

Employees transferred to another school district as part of a sharing arrangement, who are required to travel between districts, shall be eligible for travel reimbursement. Reimbursement will be calculated from the employee's Monticello school and include the extra miles required to travel to the out-of-district school and back. Reimbursement will not include miles from home to school and back. In the event an employee is shared with another school district, and said school district discontinues the sharing arrangement, the

employee affected will return to the Monticello School District and resume the previously accrued rights and position.

E. Posting of Opportunities to Transfer

1. When school is in session, vacancies in the bargaining unit shall be e-mailed to each school and posted in the office and faculty room for twelve (12) calendar days before the final date when the applications must be submitted. Employees who desire to apply for the transfer shall submit their applications in writing to the superintendent or his/her designee, within twelve (12) calendar days from the posting. When a transfer is filled, all applicants shall be notified within a reasonable time thereafter.
2. When school is not in session, a notice of an opening creating an opportunity to transfer shall be sent to the Association, when it is advertised.
