

Policy Title: **School District - Community Group Relations**

Policy #1001.2

The board values the participation and the support of school district-community groups, including, but not limited to, the booster club and parent-teacher organizations, which strive for the betterment of the school district and the educational program. The board will work closely with these groups.

Prior to any purchase of, or fundraising for the purchase of goods or services for the school district, the group will confer with the appropriate administrator to assist the group in purchasing goods or services to meet the school district's needs.

Funds raised by these groups for the school district may be kept as part of the accounts of the school district.

It is the responsibility of the building principal/and or activity director to be the liaison with school district-community groups affiliated with the building principal's attendance center.
