

The District shall maintain a comprehensive hazardous chemical communication program to disseminate information about hazardous chemicals in the workplace.

Each employee shall review annually information about hazardous substances. Further, when a new employee is hired or transferred to a new position or worksite, orientation shall include information and training, if necessary. When an additional hazardous substance enters the workplace, information about it shall be distributed to all employees and training shall be conducted for the appropriate employees. The Superintendent shall maintain a file indicating when training and informing takes place.

Employees who will be instructing or otherwise working with students shall disseminate information about the hazardous chemicals they will be working with as part of the instructional program.
