

The parent, guardian, or custodian of a student receiving competent private instruction by or under the supervision of a licensed practitioner or by a non-licensed individual may also enroll the student in the district. The student shall be considered under dual enrollment. The parent, guardian or custodian requesting dual enrollment for the student should notify the superintendent prior to October 1st each year on forms provided by the Iowa Department of Education. On the form, the parent, guardian or custodian shall indicate the extracurricular and academic activities in which the student is interested in participating. The forms are available at the central administration office.

A dual enrollment student is eligible to participate in the district's extracurricular and academic activities in the same manner as other students enrolled in the District. The policies and administrative rules of the District shall apply to the dual enrollment students in the same manner as the other students enrolled in the District. These policies and administrative rules shall include, but not be limited to, athletic eligibility requirements, the good conduct rule, academic eligibility requirements, and payment of the fees required for participation.

A dual enrollment student whose parent, guardian, or custodian who has chosen standardized testing as the form of the student's annual assessment will not be responsible for the cost of the test or the administration of the test.
