

Policy Title: **Student Insurance**

Policy #506.8

Students will have the opportunity to participate in the health and accident insurance plan selected by the school district. Participation in the insurance health and accident plan is not a contract with the school district, but rather, a contract between the insurance company and the student.

Except as otherwise outlined in this policy, the purchase of student insurance shall be voluntary with the entire cost being paid by the student or the student's parents.

Students participating in certain extra-curricular and co-curricular athletics are required to have health and accident insurance. The student will bring written proof of insurance or participate in the health and accident insurance program selected by the school district with the entire cost being paid by the student or the student's parents.
