Dear Athletes and Parents:

We look forward to an exciting and educational experience this year for the Monticello Middle School Football program! Our goal is to develop fundamentals and understanding of the system that is being run at the high school level so that when your athletes move to the high school program it will be a seamless and confident jump for them.

To be prepared and ready to start the season when the 2018 school year begins, we ask that athletes have the following items up to date and on file with the Monticello School Nurse.

- **Signed concussion form**
- **Up to date Physical**
 - **Physicals are only good for 1 year from date of issuance**
 - **Do not leave this to last minute as athletes CAN NOT participate if expired**

The Monticello MS / HS football staffs will conduct their annual pre-season football clinic scheduled for

- **July 30th – August 2nd, 2018 5:30-7:00 pm**
- **See attached registration form**

This is an **OPTIONAL** clinic and not required for participation in the Monticello Middle School Football Program

To help facilitate communication we utilize a text/email alert system similar to the current one that the school uses but will be only for Middle School Football.

- **If you signed up last year for the Remind texts, you do not need to re-enroll UNLESS you have a different number.**

Text the message @8hcahah to the number 81010.

If you're having trouble with 81010, try texting @8hcahah to (641) 243-4836.

** Standard text message rates apply.*

Thank you,

Coach Eric Schmitt
