Contact us for a flyer to advertise the day, to organize a donation to the Family Council, or to have a volunteer stop by to take a photo of your group!

Stewards of Children

Stewards of Children teaches adults how to prevent, recognize and react responsibly to child sexual abuse. Learn the facts about sexual abuse and learn how you can take action in your community.

We will be offering this training in Jones County in May and June. If you would like your staff or community group trained, contact us!
