

Parent Teacher Conferences

A Time to Discuss School Progress

We welcome you to Shannon and Carpenter Schools for Parent - Teacher Conferences. As you participate in this process, please be sure to ask any questions that you may have. It's important that parents and teachers communicate freely so that each child can benefit from these meetings.

Also, remember that we are all working together to achieve the same goal... helping your child achieve to the full extent of his/her abilities. The ideal conference will end with new insights on how to better support our students.

We look forward to seeing all of you.

Iowa Assessments

Third and fourth grade students will take the Iowa Assessments the weeks of October 17th and October 24th. If you have a third or fourth grader, please support your child by making sure that she/he gets plenty of rest and nutrition those weeks. Also, be sure to encourage your child to do their best.
