

SUPPLEMENTAL EDUCATION SERVICES

Transitioning from No Child Left Behind to Every Student Succeeds Act

As U.S. schools transition from NCLB to ESSA, we were required to set aside some funding for Supplemental Education Services (or Free Tutoring). Within a few weeks, letters will be sent to qualifying families from Carpenter School only. SES is a program for students from lower income homes so only a portion of our enrollment will receive a notice. If you receive a letter, please review the information carefully and send back the application indicating your interest in having your child receive services. If you have questions, please contact the Carpenter School Office.

PTO Fall Fundraiser Pickup

The PTO Fall Fundraiser orders **MUST** be picked up between 3-6 pm from the Carpenter gym on Thursday, November 3rd. If frozen orders are not picked up, they may be sent back to the company on the refrigerated truck, as we do not have the ability to store it at school. To avoid delays in getting items out to the community, please make it a priority to have your order picked up that day. On behalf of the PTO - Thank you for your Support!
