

IT Leadership Forum Technology Scholarship

The IT Leadership Forum Technology Scholarship is a \$1,000 scholarship awarded to Iowa high school seniors who have been involved in STEM classes or clubs and plan to pursue a technology-related degree at an Iowa college, university or community college.

We have raised funds to help 75 students with scholarships since the award was created three years ago, thanks the success of the IT Leadership Forum Charity Golf Open.

Last year we had a fantastic group 20 of winners from all over Iowa.

Meet them here: <http://www.paragonitpros.com/index.php/leadershipforums>

Four of last year's winners are now computer science majors (with two double majoring in music). Eleven have an engineering-related major. Two recipients were Eagle Scouts. Twelve were in the National Honor Society. One competes in pageants. Three were in 4-H.

To be considered for the scholarship, applicants must meet the following criteria and provide the requested information:

1. The applicant must be an Iowa resident and high school senior graduating in the 2016-2017 school year.
2. A minimum 3.0 high school grade point average (4.0 scale) is required.
3. The applicant must enroll as a full-time student.
4. Complete the online application form: <http://bit.ly/2g3o8OV>
5. Provide a high school transcript (can be submitted online).
6. Provide two letters of recommendation (can be submitted online by reference).
7. Write an essay (minimum 500 words; instructions provided within online application).

The application deadline is **March 1, 2017**.

Thanks!
