Dear Farm Kids for College Scholarship Candidate:

Thank you for your interest in National Farmers' Farm Kids for College Scholarship program. This file includes all the materials you need to apply for the scholarship. Please review all the pages carefully.

We are awarding three \$1,000 scholarships in 2018. When you have completed the requirements for the scholarship, please submit everything to your state coordinator by March 1, 2018. The address is on the state coordinators page. If your state doesn't have a coordinator, you send your application straight to me, in Ames, Iowa. We announce winners April 12, 2018, so you'll hear from us if you've earned a scholarship!

If you have any questions, please call your state coordinator as listed on the state coordinator page, or me at (515) 598-4670.

Sincerely,

A handwritten signature in cursive script that reads "Helene Bergren".

Qualify

To be eligible for the National Farmers Farm Kids for College Scholarship, you must:

- Be a high school senior
- Major in an agricultural field at an accredited college or university

In addition to the two-page application, please send:

- Typed essays, listed below
- Two letters of reference
- Official high school transcript, and official GPA
- Official ACT or SAT score
- A recent photo for use in future scholarship promotions, member publications, social media and on our web site, nationalfarmers.com. (It will only be used if you earn a scholarship. Photos will not be returned.)

*You could win \$1,000
to help pay for college
your freshman year!*

*Award disbursed directly
to the educational institution.*

The Essays

The essays give our judges a picture of your understanding of complex topics in agriculture. With that in mind, please be sure to answer the questions thoroughly and to the best of your ability. Feel free to interview individuals knowledgeable in the agriculture industry, specifically in ag marketing and risk management, and use agriculture publications as sources.

- 1. How can marketing production with other farmers and ranchers improve prices for grain, dairy and livestock?**
- 2. Choose one strategy: Niche marketing, price risk management or price negotiation. Discuss and give examples of how that strategy can increase financial rewards on an independent farm.**
(Total for both questions: 850 words minimum, 1,200 words maximum)
