

MEA/Lubbock Memorial Scholarship Application
(MUST BE TYPED)

To the Student and Parents:

Please use this form to apply for a Monticello Education Association (MEA)/Keith Lubbock Memorial Scholarship. This scholarship is provided each year by the active members of the MEA in memory of Keith Lubbock. Keith was a science teacher at Monticello, who was killed in a car accident in 1972. The current value of this scholarship varies. Scholarships are awarded at an appropriate ceremony at the school and presented by the MEA President or his/her designee. Additional information about the scholarship is as follows:

1. Scholarship selection will be made by a representative committee of the MEA. No committee member can be related to any of the applicants.
2. The scholarship winner will be selected based upon the student's scholastic achievement, intellectual ability, character and promise of future contribution to society. Preference will be given to those going into education.
3. Selection of the recipient will be made without discrimination as to the applicant's race, sex, creed, country of origin or relationship with the MEA. (This specifically means that an MEA member's child may be considered for this award but the parent may not be on the selection committee as mentioned above.)
4. The recipient may attend any accredited two or four-year bachelor degree granting college or university in the United States and take such courses of student as he/she chooses.
5. Scholarship proceeds will be paid to the recipient upon successful completion of his/her first semester of study. The scholarship winner must send a notarized copy of the student's grade transcript to the treasurer of the MEA before the check can be awarded.
6. The scholarship will lapse if the recipient:
