

# SCHOOL SPIRIT

April 2019

Hi everyone,

I hope the start of spring has been good to everyone. The weather has definitely been a pleasant change from the last few months. I am hopeful we have passed the point of the year where we have to worry about snow days and the flu. Both of those have impacted our schools a lot over the last few months. I have so much to share with you in this newsletter and it is really just good news....so here we go...

TODAY, as I am writing this newsletter, is the day the construction documents are going out in circulation for general contractors to prepare a bid. ALL bids are due to the district office by April 22 and the school board will select a contractor to work with on April 24 at the regular board meeting. If any contractor in the community would like to bid on any part of this project the construction documents will be available in the district office. To better understand how to make a bid please look at our notice to bidders in the Monticello Express on April 3 and April 10. The notice to bidders will explain how that process will work and who to contact with any questions. This is a very exciting time for us all!!!

Each spring the Monticello Community School District has to prepare a school district budget for the upcoming school year. We take a lot of time to work out our formulas with the state in the months leading up to approving a school district budget. At our March school board meeting we were able to discuss and put the finishing touches on the 2019-2020 school year budget. When we went to the community for the bond issue last fall we anticipated that our taxes would reach \$15.03 per \$1,000 of tax valuation for the school district because of the school bond increase. We were very pleasantly surprised that our taxes have come in below that mark. They will be \$14.25 per \$1,000 of tax valuation for the 2019-2020 school year. In addition, we were able to lower the income surtax amount levied by the school district. We were able to lower the income surtax by 2% and that will be reflected on your income taxes next year.

Finally, on May 10 we will be hosting our very first, "Monticello Volunteer Appreciation Breakfast". For those of you that volunteered your time to the Monticello Community School District to come in and celebrate a fantastic year and let us say, "THANK YOU"! We are in the final planning stages of this event and are very excited to honor those of you that give so much of your time to our school district.

Like I said, it was really just good news this month! As always if you have any questions please feel free to send me an email or give me a call at any time. Thank you for your continued support of the Monticello Community School District.

Sincerely,

Dr. Brian Jaeger, Superintendent  
brian.jaeger@monticello.k12.ia.us

**On behalf of the faculty and staff of the Monticello Community School District, we wish to express our sincere appreciation to the Monticello School District Foundation for a wonderful Gala this year and for all you do for our students and staff.**

**Thank you!!!**

### **\*\*NEW! Iowa Assessments\*\***

Dear Parents,

For several years students in our district, as well as districts across the state, have been assessed on an annual basis with the Iowa Assessments. The Monticello Community School District has traditionally elected to administer these assessments in October.

Last spring the Iowa legislature determined that all students in Iowa would be assessed using a new test called the ***Iowa Statewide Assessment of Student Progress (ISASP)***. These new assessments are developed by Iowa Testing Programs at the University of Iowa delivered and supported by Iowa-based Pearson, for the state of Iowa. The assessments are aligned with the Iowa Core standards and are to provide districts with a clear and accurate assessment of student learning outcomes. Student growth, proficiency, and readiness indicators will be reported.

The new assessments are required to be administered between March and May 2019 and will be available in online and paper formats. The grade levels, tests, and recommended administration times are provided below:

| Test                 | Grade Levels | Recommended Administration Time |
|----------------------|--------------|---------------------------------|
| Reading              | 3-11         | 60 minutes                      |
| Language and Writing | 3-11         | 120 minutes                     |
| Math                 | 3-11         | 60 minutes                      |
| Science              | 5,8,10       | 60 minutes                      |

Monticello students will take these assessments during the weeks of **April 1-12** using the online format. During this first year of administration it is anticipated that results may not be available until early fall of 2019.

If you have any questions about these assessments, please contact Gretchen Kriegel, Curriculum and Special Programs Director at gretchen.kriegel@monticello.k12.ia.us or 319-465-3575, x2210.

### **Monticello Board of Education Corner...**

The Board of Education held their regular meeting on March 25, 2019. At that meeting they approved the 2019-20 Certified Budget with \$200,000 going to the Management Fund and 1% Instructional Support and 1% PPEL Income Surtax for a general fund levy of \$14.25084. The Board wanted the public to know that our tax rate is lower than what we were expecting and that we also decreased our income surtax.
