

CAMP POLICIES AND PROCEDURES

Age Restrictions:

We structure our camps by age in order to target our camper's ability levels for each class. **When their camp begins, children must be the minimum age requirement for their camp.** In order to ensure the success and enjoyment of our Summer Camp classes, please observe these restrictions when registering.

Drop Off/Pick Up:

Check-in and check-out will take place at the entrance to iCCGS, located inside the Cherry Building across from the NewBo Marketplace. Parents/adults must sign their child in and out of camp every day. Please be punctual with all drop-offs and pick-ups. Sign-in begins no more than 5 minutes before the start of camp. Unless previously arranged, campers will not be released until the end of class. For the best creative experience for all, parents/adults are not allowed in the studio space during class time -- but are welcome to wait in the lobby area until the end of class.

What to Wear and Bring:

Clay may be messy, so make sure your child wears appropriate clothing and closed-toed shoes. Please make sure your child is wearing clothing that can be easily laundered. For glass workshops (Studio Experience) closed-toed shoes are **REQUIRED** for safety. Food is prohibited in the studio but water bottles (with secure tops) are allowed.

Cancellation Policy:

ICCGS reserves the right to cancel sessions due to the minimum enrollment not being met. In that event, participants will be notified and refunds will be given.

Refunds and Transfers:

Parents/Adults may cancel their child's session for a full refund **no later than one week (seven days)** before the first day of class. A \$15 processing fee is required to transfer from one camp to another, if space is available. No refunds or transfers will be allowed with less than one week's notice.

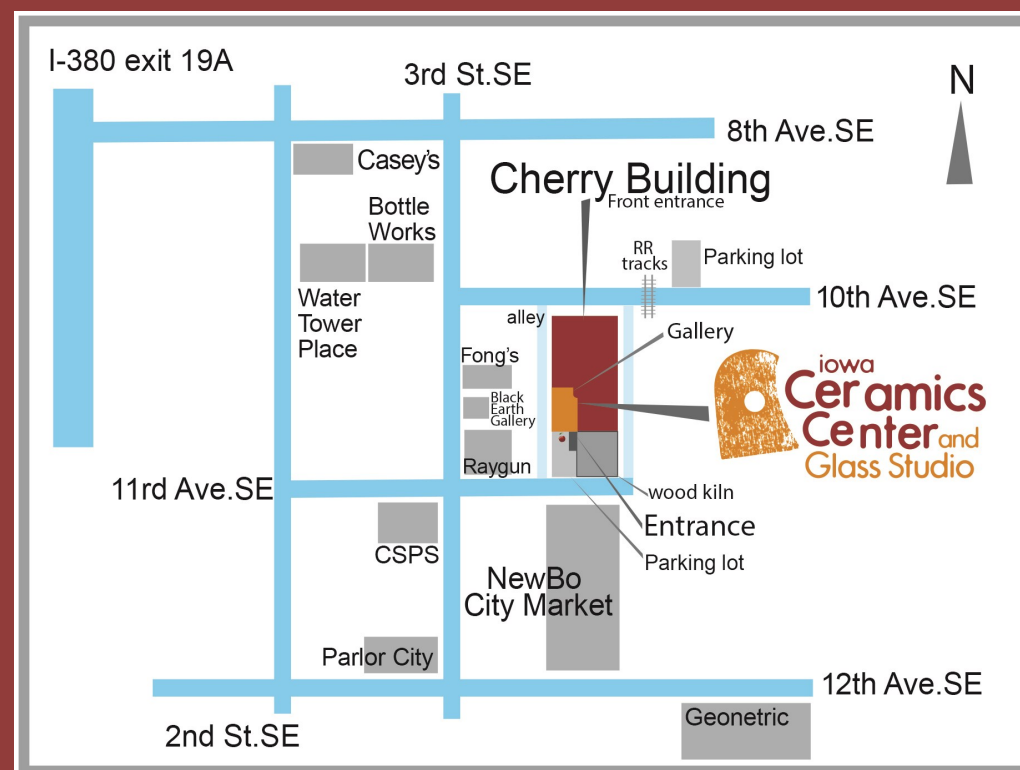

Completed Projects:

NEW THIS YEAR: Student's work will be available for pickup exactly three weeks after the end of their session; **we will NOT call or email you when items are ready for pickup.** All summer camp projects left in the studio after September 5th will be recycled. Please note: when you pick up your child's items, be sure to **have the camp code with you (i.e. 5KP2 Studio Experience).** Every child will have their own brown bag labeled with their camp code and first name. Having the camp code with you is necessary to correctly locate your child's items.
