

Policy Title: **Buildings and Sites Long Range Planning**

Policy #901.1

As part of the board's long range plan for the school district's education program, the board shall include the buildings and sites needs for the education program. The long term needs for building and sites shall be discussed and determined by the board. It shall be the responsibility of the superintendent to provide information including, but not limited to, enrollment projections and education program requirements to the board.
