

Policy Title: **Emergency Repairs**

Policy #902.2

In the event of an emergency requiring the repair of a school district facility that is necessary to correct or control the situation and to prevent the closing of school, the statutory and policy provisions relating to bidding will not apply irrespective of whether the cost of the repairs exceeds the statutory minimums required by law.

It is the responsibility of the superintendent to obtain certification from the area education agency administrator stating such repairs in excess of the state limit were necessary to prevent the closing of school.

It is the responsibility of the superintendent to notify the Board as soon as possible considering the circumstances of the emergency.
