

Grant Wood Support Services Available

Additional support services are available to assist teachers when concerns arise with students. These services include the building staff, (special education teacher, counselor, nurse, health secretary, etc. and Grant Wood Area Education Agency support staff (psychologist, social worker, consultant, speech-language pathologist, occupational and physical therapists, work experience coordinators and others). Teachers and families may use input on an informal basis or request formal assistance in identifying strategies to address a concern, in carrying out these strategies, or in monitoring individual student progress. These services are available for all students through teacher or parent requests. Working together, we can provide the best education possible for all of our children.
