

Use of Video Cameras on School Buses *(Board Policy #702.11)*

The Monticello Community School District Board of Education has authorized the use of video cameras on school district transportation. The video cameras will be used to monitor and record student behavior to maintain order on the school transportation to promote and maintain a safe environment. Students and parents are hereby notified that the content of a video recording of student activity while using school transportation may be used in a student disciplinary proceeding. The content of a video recording of a student using school transportation may be a confidential student records and which may be retained with other student records. Video recordings of student activity while using school transportation may be retained if necessary for use in a student disciplinary proceeding or other matter as determined necessary by the administration. Parents may request to view video recordings of their child if the video recordings are used in a disciplinary proceeding involving their child.
