## **Did you know?**

Did you know the Monticello Community School District has a before & after school child care program located at Shannon Elementary?

Yep that's right we do! **Panther Academy** is our before & after school child care and summer program located at Shannon Elementary for school aged children.

Contact Panther Academy Director  
Tammy Helgens today at

to register or for more information!!

**If your children attend Shannon Elementary, they can walk down the hall before or after school to get to Panther Academy. If your children attend Carpenter Elementary or the Middle School, they can catch the shuttle bus to/from schools. So parents no need to worry about getting them to where they need to go!**

**Panther Academy provides activities that support children's natural desire to explore and create. Curriculum opportunities include four main areas of development: Social and Emotional, Language, Physical and Cognitive. We provide curriculum and activities that enable each child to develop new skills at their own pace. Our main goal is to provide a safe, supportive and healthy environment for children.**
