

# Monticello Community School District School Facilities Committee Meeting Minutes of March 21, 2018

The School Facilities Committee held a meeting on Wednesday, March 21, 2018, in the Board Room at the District Office at 6:00pm. Those present were: Aimee Hospodarsky, Angie McDonough, Audrey Savage, Brent Meier, Brian Jaeger, Charlie Becker, Dan Dailey, Deb Keating, Dom Hogan, Jayme Freye, John Schlarmann, Judy Hayen, Lisa Stadtmueller, LJ Takes, Mary Melchert, Megan Brunscheen, Nick Miller, Renee Adams, Ron Welter, and Sheila Tjaden. Roger Worm, Carly Weber, Susan Bowersox, and Vicki Hyland from OPN Architects, Bud Johnson, Board President, Mandy Norton, Board Member were also present. Those absent were: Jeff Hinrichs, Kayla Sperfslage Jolene Kramer, Pam Goodyear, Phil Owen, Scott Brighton, and Tim Lambert.

Dr. Jaeger started by discussing the facilities page that is on our website. The facilities page contains information since last July when we started this process. Included on the page are agendas, minutes, committee member list, videos, etc. We will continue to add to this page, so please share this with others as conversations come up about facilities. We have some high school students that are working on videos of our schools, so if someone hasn't been in our buildings lately, this will give them an idea of what our buildings look like on the inside. Look for that soon! Here is the website address: <http://www.monticello.k12.ia.us/2017-18-school-facilities-committee/>

Susan Bowersox, OPN Associate, presented on 3 different facility scenarios and estimated construction costs for each:

Option B: New PK-6 Building at the High School site and 7<sup>th</sup> & 8<sup>th</sup> grade addition to the High School with a transportation center at Shannon

Option C: 2-6 Addition @ Shannon and 7<sup>th</sup> & 8<sup>th</sup> grade addition to the High School with a transportation center at the Middle School site

Option D: New PK-8 Building at a new site with a transportation center at the High School site

Much discussion was held and it was decided that we need more time to narrow down our options and ideas. OPN will try to gather more information on a 7<sup>th</sup>/8<sup>th</sup> addition at the high school showing where staff & rooms could be shared. They will also try to show a 2 phase option with building a new 5-8 building now and a PK-4 addition in the future.

This was a Facilities Committee Meeting no action or voting took place. The meeting concluded at 8:10 pm. Our next Committee meeting will be on Wednesday, April 4, 2018 at 6:00pm.

Please encourage those with questions or comments to email us at: [facilityquestions@monticello.k12.ia.us](mailto:facilityquestions@monticello.k12.ia.us). The more feedback we can get the better!

If anyone has any questions for OPN at any time, feel free to email them. Their emails are listed below.
