## What is 4-H?

4-H is a community of young people across America who are learning leadership, citizenship and life skills offered through a variety of settings, including: Clubs, schools, day camps, overnight camps, afterschool programs and other learning environments. 4-H gives kids and teens opportunities to experience life skills and to practice them in a safe environment with caring adults.

## Who can join?

For youth in grades 4th through 12th, 4-H is a place where you can make new friends in your community. Want to get started younger? Join our Clover Kids program for grades Kindergarten - 3rd.

## How do I get started?

Pick what interests you! In 4-H, there are endless projects to explore. Some examples include:

- Agriculture and Natural Resources
- Animals
- Science and Technology
- Home Improvement
- Creative Arts
- Photography
- Clothing and Sewing
- Food & Nutrition
- Horticulture

Contact the Iowa State University Extension and Outreach office for Jones County to learn more and find a club.
