

## **2021 Scholarship Application**

The Jones County Community Foundation is offering one \$500 scholarship at each high school in Jones County. These scholarships will be awarded to graduating seniors pursuing post-secondary education, who are residents of Jones County, and **who have demonstrated "a strong commitment to community service" in Jones County and giving back to their community.** These scholarships are not based on scholastic performance. Giving back to your community is a lifelong goal. Therefore, the JCCF Board wishes to acknowledge community service in Jones County by worthy high school seniors pursuing post-secondary education. If awarded, scholarship winners must show proof of enrollment in collage in the fall of 2021. See your Guidance Office if you are selected for more direction on receiving your award.
