### **Meeting Dates of the SIAC 2020-2021:**

November 17, 2020 (cancelled due to COVID school shut-down)  
January 26, 2021

### **Meeting Work:**

January 26, 2021: The group met virtually, discussed goals of the committee, data, and made recommendations to the school board.

1. Welcome and Introductions
2. District Information: Return to Learn Plan and Strategic Operating Plan Updates
3. Breakout Rooms to Review Data
4. Whole Group Discussion
5. Recommendations to the School Board

### **Recommendations for the school board from the SIAC Committee:**

1. Focus on Remediation Related to COVID
  - a. Invest in time and resources to identify where remediation is needed
  - b. Focus on priority standards to ensure all students are proficient in essential learning
  - c. Provide summer school and after school academic support for students, especially those struggling in reading and math
2. Improve Climate and Culture Data Analysis
  - a. Use Panorama survey platform to disaggregate data
  - b. Identify trends with subgroups: socioeconomic, gender, race, etc.
  - c. Provide professional learning for staff based on disaggregated data
