FOR KIDS

MINI Summer Camps

Kirkwood for Kids is making its return in 2021!

Things will just look a little bit different than in the past. This year we are going to be hosting multiple mini camps on different days throughout the month of June. Some camps will be one day for a few hours, many will be a few days for a week, and some might be on Saturday. The cost will vary, and scholarships will still be available!

Due to health concerns surrounding COVID-19, extra safety precautions will be taken this summer to keep potential exposures limited and campers safe. Transportation/busing will not be offered this summer due to these safety precautions. Parents will be responsible for arranging all transportation to and from camp for their students.

To register, call 319-398-1022
or 319-465-2302.

Or email abby.jaeger@kirkwood.edu.
