DON MCCARTHY MEMORIAL SCHOLARSHIP

Don McCarthy was a lifetime citizen of Monticello and dedicated much of his time to his family, community, and the Monticello Fire Department. He held several leadership positions while on the Department – Training Officer, Lieutenant, Captain and Chief. Don and his wife, Pam, and his three children, Morgan, Tyler, and Courtney, all graduated from Monticello Community Schools. Don was always thinking of ways to do more for his community and the Fire Department, so from that came the Junior Firefighter Program.

In 2010, Don and his son, Tyler, along with other members of the Fire Department, pioneered the Junior Firefighter Program which still exists today. Both Tyler and Courtney went through the program under Don's and the Fire Department's guidance. Don and Tyler wanted to create a program available to young men and women in high school who may be interested in becoming a firefighter so they could see what a future in firefighting would entail. It not only teaches about firefighting, but also shows the camaraderie and friendship that is formed within an organization where everyone is passionate about helping others.

Leadership, knowledge, and passion are all traits that made Don an admirable firefighter, father, husband, and friend. In March of 2020 Don passed away from pancreatic cancer after 21 months of fighting the toughest battle of his life. His legacy will live on through his family and be honored with the Don McCarthy Memorial Scholarship. The scholarship is awarded by the Monticello Fire Department and the McCarthy Family. Payment of the scholarship will go directly to the school of the student's choice.
