

It is the intention of the board through its policies to protect the rights and promote the welfare of all students.

Policies in this series are enacted to aid in providing quality experiences for students in all environments related to the educational program. By providing quality opportunities, all students can become useful and productive adults.

Board policies, rules and regulations affect students while they are on district property or on property within the jurisdiction of the district; while on school owned and/or operated school or chartered vehicles; while attending or engaged in school activities; and while away from school grounds if misconduct will directly affect the good order, efficient management and welfare of the district.

This section of the board policy refers to the term "parents" in many of the policies. The term parents for purposes of this policy manual will mean the legal parents, the legal guardian or custodian of a student, and students who have reached the age of majority or are otherwise considered an adult by law.
