Hi everyone,

It is the start of a new year and it is a time for reflection and setting some goals for ourselves. I encourage each of you to set some goals for yourself in 2023. I have some professional goals for our school district.

**Goal 1:** I would like to continue to attract and retain the best staff.

**Goal 2:** I would like our professional learning to focus on classroom instructional strategies.

**Goal 3:** I would like to see our staff continue to use data to make decisions and drive instruction.

**Goal 4:** I would like to continue to provide support to our staff and students' mental health.

In 2023, our school district has been successful in many ways. I commend our entire staff for the work they are doing every day, inside and outside of the classroom, to make our students be the best they can be. Three reasons we have found so much success in 2023:

1. We have so many incredible people working in the Monticello Community School District who care so much about each student.
2. We have so many wonderful students that work hard and take pride in doing well and learning every day.
3. We have incredible parents, community members, support organizations, community groups, and businesses that support our schools in so many ways.

I feel very blessed to be a part of this wonderful school district and I am looking forward to another great year in 2024 because we have many wonderful opportunities for our students that are just over the horizon. Thank you to everyone who works in, attends, or supports the Monticello Community School District. You are the best!!!

A long-standing partner of the Monticello Community School District has been the Monticello School Foundation. The Monticello School Foundation wants our students to have all of the resources needed to have the best educational experience possible. They have worked very closely with the district to provide needed support in our classrooms since 1988. The mission of the Monticello School Foundation is:

*It is the mission of the Monticello Community School District Foundation Board is to secure funds from sources other than the traditional methods of taxation. Upon securing such funds, the Foundation shall guide the expenditure of those funds in an effort to supplement the school district's ability to provide excellent opportunities for all students.*

The Monticello School Foundation has donated approximately \$1,000,000 to Monticello Community School District projects over the last 35 years. Here are some examples of items the Monticello School Foundation has purchased in support of the Monticello Community School District over the years:

- Sound system for the HS auditorium
- Field trip expenses
- New instruments & band uniforms
- Employee Recognition Awards
- Laminator for the MS
- Chromebooks & cases

- Elementary and MS library books
- Weight room equipment at the HS

# PRESCHOOL INFORMATION

## Statewide Voluntary Preschool Programming for Four-Year-Old Children

For 2024-25, we are expecting to receive state funding to support preschool programming for four-year-old children. Here are some Frequently Asked Questions to help community members gain a better understanding of what this preschool funding means to Monticello.

**Which preschools are partners in the MCS D Program?** Little Panthers Preschool (Shannon Elementary), Mother Goose Preschool (St. Matthew Lutheran Church) and Sacred Heart Preschool (Sacred Heart School)

**How will the funding be used?** There are many assurances (i.e., requirements) that need to be met when using preschool funding. Money will be spent to make sure that these assurances are met. The assurances include (but are not limited to):

- Facility requirements including accessibility and playground guidelines
- Costs associated with teacher and paraprofessional professional development and certifications
- Paying staff costs for required instruction, program operation, home visits, family nights, and parent/teacher conferences
- Supplies and Equipment

**Which children will this funding support?** Funding must be used to support children that turn age four on or before September 15. **Will my four-year-old receive free preschool?** Mother Goose and Sacred Heart are half day programs and are tuition free. Little Panthers is a full day program and has a max tuition of \$135.00. All three programs run Monday thru Friday with no preschool on Wednesdays.

**Will my four-year-old receive transportation to and from preschool?** The school district may be able to provide free transportation using an existing bus route. Check with your preschool provider for more information.

**Where can I obtain more information about the Statewide Voluntary Preschool Program for Four-Year-Old Children?** You can visit with representatives of the participating preschools and you can visit the Iowa Department of Education web site: <https://educateiowa.gov/pk-12/early-childhood/statewide-voluntary-preschool-program-four-year-old-children>.

**All Monticello preschool programs are currently taking applications for the 2024-25 school year:**

## COMMUNITY CONNECTION

### Routines & Schedules

This month is a great time to reevaluate your family routines and schedule! Think about your current schedule and routines. What can you add or change to make your routine and schedule flow together?

#### So...What's the difference:

- A schedule is the activities that occur across the day.
- A routine is the steps taken to complete the schedule.

#### Some things to try:

- Encourage your child to help in your daily routine! This promotes responsibility and boosts positive feelings of family involvement.
- Have a visual schedule or steps of the routine your child should complete.
- Review your schedule to help students know and prepare for what's happening.
- Try to keep your routine and schedule as similar as possible. Children will need to be flexible but if you know there is a change, try and give your child a warning.
- Encourage your child to make a choice in the activity or routine.
- Try the "two great choices"- give your child two choices to increase a sense of control and compliance. "It's time to get into the car. Do you want to bring a book to read or listen to a story on tape?"
- Model the steps of the routine and practice them with your child.
- Give positive feedback and explanations for when your child attempts to follow or is successful in following the routine.

Schedules and routines help children feel safe, secure, and comfortable.

**MONTICELLO SCHOOL FOUNDATION  
18TH ANNUAL TAILGATE PARTY &  
ALUMNI REUNION  
MARCH 23, 2024**

**“Get Your Foot in the  
Door 2024”**

**STARTING AT 5:30  
MONTICELLO BERNDES CENTER**

The Monticello School Foundation is excited for our annual Tailgate Party & Alumni Reunion. Our theme this year is “Get your Foot in the Door 2024.” The event is a celebration of the strength of our school, the resiliency of our community and the drive to ensure our children have the best opportunities possible!

A monetary donation or an item for the silent or live auction is instrumental in raising additional funds to purchase computers to support the 1:1 initiative and enrich our K-6 English Language Arts curriculum and music department. Your donation will facilitate students’ virtual travel to places around the world while still in their classrooms! Your donation, no matter how large or small, makes an incredible difference in the Monticello educational environment. Please show your support for the kids and teachers by donating and attending. It’s a way to help the school and a great way to promote your business.

Come enjoy a relaxing evening in your red and black and help us raise funds for the future of Monticello Community Schools. There will be plenty of opportunities to help support Monticello schools. There is a silent and live auction and we are continuing the popular Panther’s Wish List put together by the teaching staff of items they would like to use in their classrooms but is not in the school’s budget to purchase.

Thank you, in advance, for your generous donation, but equally important, thank you for your endless support of the Monticello Community School District, the Monticello School Foundation and all the teachers and students. Your daily contributions to our community do not go unnoticed.

Tickets for the evening can be purchased individually for \$30 or a table of 8 can be purchased for \$240. Every \$500 donation will receive up to 8 tickets and every \$1000 donation will receive up to 16 tickets. Individuals and/or businesses can be a sponsor for the event as well. Every sponsor will be recognized during the evening. Sustaining sponsorships are \$100, Foundation sponsorships are \$250, Major sponsorships are \$500 and Visionary Sponsorships are \$1000.

So gather your friends, dust off your Panther gear and make plans to join us March 23. Thanks again for your support!
