

Asbestos Notification

The Asbestos Hazard Emergency Response Act of 1986 (referred to as AHERA) was enacted by Congress to determine the extent of and develop solutions for any problems schools may have with asbestos. This notification, education and training of our employees, plans and procedures to minimize the disturbance of asbestos containing materials, and plans for regular surveillance of the asbestos containing materials are a part of our efforts to meet government regulations. A copy of the asbestos management plan is available for your inspection at the Buildings Grounds Office at 850 E Oak Street, Monticello, IA.
