Hello everyone,

We have reached May and our schools are busy with end of the year activities such as field trips, spirit days, music events, some fun end of year classroom activities, NHS induction, and spring/summer athletics overlapping for a few weeks. Not to mention for seniors...cap and gown walk, practice graduation, senior cookout, awards night, and Graduation. That is all followed up with a month of graduation parties! Seniors can't wait to get to the finish line this year but I wish there was a way to get them to stop and appreciate the moment. I guess that would be like asking a distance runner to slow down and appreciate the race 100 yards from the finish line. It is probably not going to happen.

I would like to congratulate all of our seniors and wish them the best as they move into the last month of their high school career. We are currently finalizing plans for graduation which will be held on the football field at 2pm, May 25th. Let's hope the weather cooperates and we have a beautiful graduation day. I would love to send the class of 2025 off with a wonderful program and some lasting high school memories.

If you are a parent of a senior, congratulations to you too! It is a lot of hard work to get to this point. Helping with homework, concerts, sports, school play, speech, drama (not the good kind), this week my friends are so important and next week getting left out of the sleepover, skinned knees, learning how to ride a bike, birthday parties, learning how to drive a car, dating, breaking up for the first time, PROM, 4H, boy scouts/girl scouts/campfire girls, getting a job, balancing their time, getting good grades, taking Kirkwood classes, selecting a college, or getting a job after graduation...this list could go on and on. WOW it is a lot of work being a parent. I know that graduation is only a ceremony, but as a parent, at some point this summer it will hit you that this chapter is coming to an end. My advice is to appreciate it, celebrate it, and when they walk across that stage, let it be emotional and AWESOME! It can be a little surreal for some parents after planning for this moment for all these years and then watching it all unfold on May 25. I hope you feel that sense of pride when you see them get that diploma. They have earned it and so have you!

That is it for this month. As always, if you have any questions please feel free to send me an email or give me a call at any time. Thank you for your continued support of the Monticello Community School District.

Sincerely,

Brian Jaeger, Superintendent

The MISSION of the Monticello Community Schools, a district striving for educational excellence, is to prepare students through challenging experiences, to be caring, productive, creative citizens, who will be life-long learners.

This year, we are asking for donations to help us clean up at the cemetery. Specific items include buckets, plastic scrapers, gloves, and scrub brushes. Please bring items to the high school office by May 9. We know that giving back to the community and serving is a big part of education at Monticello Schools. The Rain date will be May 15 at the same time. Thank you!

PTO NEWS...The PTO has a lot of exciting events coming up including our Walk-a-thon scheduled for Monday, May 12 (rain date May 19) and our Fun Day scheduled for Tuesday, May 27. We are also planning out fun things for Teacher Appreciation Week. Please be on the lookout for information for volunteer options coming home in your child's folder or on our PTO Facebook page. If you are interested in helping plan such events or share new ideas with the PTO please feel free to join us at our meetings. Our next meeting is Monday, May 12 in the Carpenter School Library at 7 pm.

School Open House Night

Attention 4th grade parents! In April and May, Mrs. Ellis and Mr. Butterworth will be visiting with 4th grade classrooms at Carpenter Elementary & Sacred Heart to begin the process of recruiting members for next year's 5th grade band. There will be a scheduled "video/demonstration day" for each class, and "instrument matching" time for individuals. It's a great opportunity for students to learn about band, and all students will get to participate regardless if they are planning to join band or not. It's a great time to start discussions at home about the possibility of joining our band family next fall! If you have questions at any time, please contact Mrs. Ellis at ellen.ellis@monticello.k12.ia.us
