Monticello Community School District Dr. Brian Jaeger, Superintendent PH 319-465-3000 FAX 319-465-6050 WEB www.monticello.k12.ia.us

Hi everyone,

Well we have reached the beginning of June. The 2024-2025 school year is now in the history books and I can say that our staff really did an incredible job this school year. I am so proud of our academic accomplishments this year and the credit goes to the wonderful staff we have in all of our school buildings. They are knowledgeable, patient, caring, and they always put our kids first. They are true professionals.

We have a lot planned for this summer...professional development is planned for associates the first week of summer, summer Panther Academy is starting up, the Summer Food Program is kicking off and will provide breakfast and lunch to all children in our community for FREE, summer sports, summer music practices, summer camps, summer weightlifting, summer planting crop/garden for FFA, building & grounds routine maintenance, gym floors refinished, painting at the high school, replacing carpet at the high school, working on policy changes from the state legislature, hiring staff, summer purchasing of classroom items, bus repairs, deep cleaning...the list goes on and on. There is always work that needs to be done and we have a great team that makes it all happen.

THE BAD NEWS is the State Legislature continues to fund our school district at a rate that does not match cost of living increases. Over my 9 years in Monticello we have cut well over \$1,000,000 from our budget and we are going deeper next school year. Two cuts that we will be making for next school year will be to not offer summer school and to change to a digital format for the School Spirit Newsletter again. Summer school savings will be about \$23,000 and the School Spirit format change will save the district about \$18,000. This is very unfortunate but it is our reality and that means we have to adjust.

I hope you all have a wonderful start to your summer! As always, if you have any questions please feel free to send me an email or give me a call

anytime. Thank you for your continued support of the Monticello Community School District.

Sincerely,

BA

Brian Jaeger, Superintendent

Silver Service Cord

High School students, summer is a great time to get started on earning your Silver Service hours.

The goal of the Silver Service Cord is to recognize students who have contributed to their community or school by volunteering their time and talents. An increasing number of scholarship applications require applicants to list service and experiences. Volunteer time often leads to employment and future educational opportunities as well as enabling students to understand the connection between school, work, and community. Interested MHS students must complete 300 hours of service during four years of high school starting with the summer after eighth grade, to receive the Silver Service Honor cord on Senior Honors night. For more information visit our website: http://www.monticello.k12.ia.us/silver-service/
