

It is the goal of the board to develop a healthy social, intellectual, emotional, and physical self-concept in the students enrolled in the school district. Each student attending school will have the opportunity to use its education program and services as a means for self-improvement and individual growth. In so doing, the students are expected to conduct themselves in a manner that assures each student the same educational opportunity.

The Monticello Community School District does not discriminate on the basis of race, color, national origin, sex, disability, religion, creed, age (for employment), marital status (for programs), sexual orientation, and socioeconomic status (for programs) in its educational programs and its employment practices. The belief in equal educational opportunity serves as a guide for the board and employees in making decisions relating to school district facilities, employment, selection of educational materials, equipment, curriculum, and regulations affecting students.

Board policies, rules and regulations affect students while they are on school district property or on property within the jurisdiction of the school district; while on school owned and/or operated school or chartered vehicles; while attending or engaged in school activities; and while away from school grounds if misconduct will directly affect the good order, efficient management and welfare of the school district.

The board requires all persons, agencies, vendors, contractors, and other persons and organizations doing business with or performing services for the school district to subscribe to all applicable federal and state laws, executive orders, and rules and regulations pertaining to contract compliance and equal opportunity.
