

The school district may use school district vehicles for transportation to and from summer extra-curricular activities.

Transportation to and from the student's attendance center for summer school instructional programs shall be within the discretion of the board. It shall be the responsibility of the superintendent to make a recommendation regarding transportation of students in summer school instructional programs at the expense of the school district. In making the recommendation to the board, the superintendent shall consider the financial condition of the school district, the number of students involved in summer school programs, and other factors deemed relevant by the board or the superintendent.
