

The district recognizes the importance and value of fulfilling timely reporting requirements. Regularly providing updated financial information assists the board in making informed decisions for the future financial health of the district.

At the annual meeting, the treasurer will give the annual report stating the amount held over, received, paid out, and on hand in the general and all other funds. This report is in written form and sent to the board with the agenda for the board meeting. The treasurer will also furnish the board with a statement from each depository showing the balance then on deposit. It is the responsibility of the treasurer to submit this report to the board annually.

The board secretary and/or treasurer shall report to the board each month the receipts, disbursements, and balances of the various funds. This report shall be in written form and sent to the board with the agenda for the board meeting.

Each month the schedule of bills allowed by the board shall be published by the board secretary in a newspaper designated as a newspaper for official publication. Annually, the total salaries paid to employees regularly employed by the school district shall also be published in a newspaper designated as a newspaper for official publication.

The board shall cause to have published the proceedings of each regular or special meeting after the adjournment of such meetings. The secretary shall furnish a copy of the proceedings within two weeks following the adjournment of the meeting.
