

Panther Track and Field Camp

Try out a sport that will benefit your other sports. We will be having our camp for boys and girls entering grades 1-8. This is the second year for this camp. The goals of this camp are to get our young athletes excited about the sport of track and field, to start building a solid base of fundamentals, and to have fun!

Camp will focus on individual fundamentals of sprints, hurdles, field events, and distance running. We will give the campers several basic things to work on as they continue to grow and develop as athletes. Each day will end with an event competition and a relay.

We feel this camp is a great opportunity to learn basic track and field fundamentals in a safe, fun environment. We will work with each camper to help them develop their skills individually, while also stressing the importance of team concept. We look forward to seeing our future track and field athletes at camp!

All proceeds from this camp will benefit the track and field program, camp coaches, t-shirts, and any additional supplies needed for camp.
