

Policy Title: **Sunday and Wednesday School
Use of Facilities**

Policy #1003.2

The school district works very hard to avoid family and community conflicts on Sundays and Wednesday nights. No school activity will be scheduled during these times unless special approval is given by the superintendent, or designee. All school practices and events will end at 5:30 p.m. on Wednesday evenings, except during Homecoming week and when summer activities begin. It is within the discretion of the superintendent to allow use of school district facilities and equipment by the community on Wednesday nights and Sundays.
